

He Waka Eke Noa Early Learning Centre

Our Vision

A beautiful and inspiring space to celebrate, grow, support and inspire our tamariki, their whanau, our community, wider environment and each other

Our Strategic Goals

To provide a rich inclusive space where upholding the mana of our kaiako, our tamariki and their whanau is at the heart of all we do

To reduce barriers so that education opportunities are in reach for every learner

To continue to develop, strengthen and invest in our team to help prepare our tamariki for the extraordinary world ahead

To continue to intentionally engage with our whanau and wider community

To continue to develop more environmentally sustainable practices

Our Strategic Initiatives

All tamariki enjoy and embrace learning that celebrates language, culture and identity

To strengthen the delivery and implementation of our hybrid learning model

We aspire to seek excellence through the guidance of Te Whariki, ECE regulations 2008, NELP's and Te Ara Poutama indicators of quality

Strengthen relationships with whanau and community to nurture learning inside and outside our Early Learning Centre.

Continue our learning journey alongside enviroschools towards a more sustainable future

Our Outcomes

Our tamariki will engage in a deeper learning experience when they experience a strong sense of belonging and acceptance

Our centre will have our very own hybrid learning model to create barrier free learning

Our kaiako will prioritise authentic and engaging learning opportunities through professional development and monthly team meetings

Our relationships with local kura and community groups will be strengthened to ensure a smooth transition to kura.

The outcome will be environmentally responsible and considerate future kaitiaki.
